## Some Worth In Every Human, Speaker Tells C. A. S. Here, Suggests Being More Helpful

## C. A. S. Superintendent Concerned About Future Of Unemployed After Unemployment Benefits End

that people join groups and there can be healthy rivalry between groups, but that rivalry usually destructive. "We need force to co-ordinate," he said. "We need to be 'integrators,' joining energies, towards the betterment and happiness of our community."

On the question as to whether or not the church should involve ourselves in the people's problems, Father Gaudin said because "every man has something of value in him and because he has we have an obligation

him when he is not able to himself".

The "smoke" that every man senses must be recognized, he said, and answered, no matter what man's race, creed, or colour, no matter what his appearance.

The speaker closed his talk with this plea to "make our minority social conscious."

The speaker has been introduced by A. T. Lester, B.A., Q.C., who was thanked by Maurice G. Collins, officers of the Victoria and Hamilton C.A.B.

### Korean Topic Of Interest At W.M.S. Meeting

Penelon Falls (PNS) -Mrs. E. Penatter presided for the Easter Thankoffering meeting of the W.M.S. of Penelon Falls United Church, which was one of unusual interest, held at the home of Mrs. Russell Webster, Francis St.

was held in the church with five members present and Mrs. Sheehy presiding. The meeting opened by repeating a hymn. The devotional convener being absent, the president read the topic on "The Risen Christ". The Scripture was read from Mark's Gospel by Mrs. Owan.

The minutes of the previous meeting were read by Mrs. Palmer and approved. Dues were received. There was a sale of the quilt made in Fan design, and money was received for two other quilts which had been quilted for a friend. It was moved and seconded that the W. A. have a bee to clean the church and windows. Members of Sunday School, had piled the wood in the shed and raked the lawn and the W. A. extended their appreciation for this kindness.

A little poem was read -  
 "The Beauty of the House is Order  
 The blessing of the House is Con-  
 tentment;  
 The Glory of the House is Hospitality."

The Crown of the House is Godliness."

This poem is written in connection with Christian Family Week.

The meeting closed with prayer.

## COUNSELLING SERVICE AIDS 'FIRST COBBERS'

A divided change has taken place in the unemployment picture in the area under the jurisdiction of the Lindsay Employment Office at Lindsay, Ont., and it is all to the good. The "about half of what it was" as it was.

It was found that when the weekly count of persons out of work was taken on Thursday, it showed a total of 593 (311 men and 282 women), a considerable improvement over the 1,000 or so of a month-and-a-half ago.

But as far as work opportunities are concerned, the picture was not so encouraging. It was pointed out that they are coming in slowly, but that the situation generally has had an adverse effect. However, a number of applications for skilled workers have been received and a few for casual work among farmers engaged in planting, etc.

Removal of persons from the list of unemployed persons was not the only thing that was done. The problem of the first job for many of the young people who are present and their parents are unable to find employment was discussed. It was pointed out that many of these young people and their parents are unable to find employment. It was pointed out that many of these young people and their parents are unable to find employment.

"This situation has now changed," said Mr. Marshall. "The young people who are present and their parents are unable to find employment. It was pointed out that many of these young people and their parents are unable to find employment. It was pointed out that many of these young people and their parents are unable to find employment."

It was pointed out that many of these young people and their parents are unable to find employment. "The Lindsay Family Welfare Service is a source of confusion and doubt. It was pointed out that many of these young people and their parents are unable to find employment. It was pointed out that many of these young people and their parents are unable to find employment."

Blackstock (PNS) — Under the auspices of Blackstock Dramatic Club, the Enniskillen Dramatic group presenting their popular entertainment entitled "Hippopotamus Abducts" in Recreational Centre for the 20th time.

A cast of 25, dressed in every kind of fancy costume, got involved in some very funny situations in the course of rehearsing for a recital. Mrs. R. Seymour, director of the show deserves much credit for a fine creative entertainment. With Mrs. Lorne Lamb at the piano, many humorous songs in this play within a play, gave great enjoyment. Musical numbers were played by Messrs. John Sheard, Gordon Stevens, Les Skatton, on cello and a band, for first four gentlemen also playing mouth-organs, at the same time. Civille Ashton was at the piano.

Jean Griffin and Clarence Stratton, Mr. and Mrs. Edgar Wright also gave pleasing duets. A retired cook, played by Mrs. C. Yeo and the town gossip, Gabby, played by Mrs. L. Warran, contributed several moments of very good comedy, as did Flora Malaprop.

Mrs. P. Blockett who gave slightly revised in her words. Rodney (Bob) Blockett who studied, but is impressive, also provided much amusement. The part of Hiram, the colored cook, was originally taken by John Griffin, but owing to illness Mrs. Yeo has played the part 12 times.

The lady director, Mrs. Seymour presented a hilarious monologue which was a highlight of the show, with real pathos, she dished out a recital of local gossip gathered on shopping up in Seyreville road. Blackstock, in her personality of Aunt Penny Frank Smith, Harold Kline, Richard Wainwright, Mrs. H. Larmer, Jean Griffin and a gentleman called Mr. R. R. Seymour were included in some of her good puns. Poor fellow Aunt Penny had all kind of trouble with her numerous parrots and in finding the first for her role in her next. This contribution was a veritable screen.

Mr. Dalton Dorrell represented the Enniskillen Club by making a brief opening speech and in expressing thanks to the performers at the conclusion of the program. Mrs. Seymour read the names of the cast and gave a brief idea of the play.

Mrs. Lamb was served by the Enniskillen group by members of the Dramatic Club. The Enniskillen Quartet, composed of Gordon Stevens, Civille Ashton, Edgar Wright and John Sheard, sang two groups of numbers, which were very popular during the show. Other taking part were Ronald Ashton, Mrs. L. Ashton, Mrs. E. Stevens, Bill McAlister, Edna McAlister, Mrs. E. W. Allen, Mrs. E. McAlister.

### ARE THESE YOUR QUESTIONS ABOUT TRUSTS

"Would my estate be too small to interest a Trust Company?"

No estate is too small for us to administer as your trustee for your full advantage or that of your family.

"Would the cost be too high?"

No. A fair fee for trustees is established by law, and it is proper to pay it to the amount of service the size of the estate requires. Such service might easily save you or yours many times its cost, in just one transaction.

"Will the trustee handle my affairs in the most judicious manner?"

Probably not. And by this Company, definitely not. Our obligations and responsibilities are equal to all trusts, regardless of size, and one standard of service — the highest — is rendered to all. Our collective experience and mature judgment of our trust officers are focused on each and every trust. Just how well we would function for your family can be demonstrated for you now—while the time is ripe.

The late Sir Ben Hughes, then Mr. Ben Hughes, A.P. for Victoria, B.C., and the late Mr. R. Dundas, both of London, were the men who initiated at the laying of the cornerstone of Dundas of the Dundas Church.

### Dundas Church Records Show No Trace Of Indebtedness From Time Building Started

Dundas (PNS) — The early history of the Dundas Methodist Church is somewhat obscure but the following details are reasonably accurate. Rev. E. M. Pearson, who was the pastor of the church from 1880 to 1900, was the first to build the church.

The early settlers under this part of Victoria Township arrived in the year 1858. Their first meetings were in a mission conducted by a Methodist minister who held in different homes of this locality, but principally in the home of Mr. Henry Pearson, whose farm is still in the hands of his great grandson, Frank Thurston. Two later the congregation became part of the Robsonville circuit and served by Rev. J. H. Pearson, who was the pastor of the church from 1880 to 1900.

The church was built in 1880, and was the first of its kind in the district. It was built on a site which was then a field, and was built on a site which was then a field, and was built on a site which was then a field.

## What I see show you how good bald hay can be

The best way to judge hay quality is to examine it  
 in the barn this time of year. Here are some things  
 you will notice about rolled bales:

- 1 The hay is bright green, but lies in a bed.
- 2 Leaves are sealed inside the bale - almost no loss during handling.
- 3 The hay is more uniform in size and still good - they shed the shavings.
- 4 Rolled bales handle without waste - won't buckle, break or fall apart.
- 5 Rolled bales are easy to feed - rolled out, cut open or fed whole.

Let us show you why in rolled bales is winning  
 blue ribbon status at leading shows. Your  
 livestock needs the best.

## Special Service Conducted By Rev. Jackson

Church (P.N.S.) — Mother's Day services were held in Knox Church in Lindsay with Rev. Walter Jackson in charge of the service. The children of the Mission Band led the service of praise and Mr. Nelson of Hastings presided at the organ throughout the service.

The church was decorated with effulgent and spring flowers and Mr. Jackson read the opening of the Scriptures in the reading of the order of service by Barbara Riley and Greenville Webster. The theme of the service, "Christ — Lord of Our Home," was delivered by Rev. Jackson and the members of the Mission Band were heard to sing choruses after which they took their places in the body of the church for the service.
